

# New Dawn at Evangelical

Honoring the Past, Looking to the Future

2017-2018 Annual Report

# A Year of Momentum

In the last fiscal year (July 1, 2017 – June 30, 2018), Evangelical Seminary began to experience a significant uptick in momentum. That momentum continues into this year. I have been part of the Advancement Team for more than 13 years, and I must say that right now is the most exciting time to be at Evangelical!

Over the last year, we have seen the Lord answer our prayers in some amazing ways. He is just pouring out His blessings upon this seminary. There is so much momentum...you can almost feel it as you walk the halls and interact with students and faculty.

The first cohort of our newest program – the Doctor of Theology degree (Th.D.) – began in September with 29 students. God responded with great abundance to our naive prayers for at least 8 students. We've had so much interested that an additional cohort for this program is launching in January and yet another in September.

The move to electronic marketing has created a significant increase in potential students. God has provided generous donors who have greatly aided this process through covering the cost of these services and the expense of additional part-time staff needed to follow up with these individuals who want the orthodox and biblical education provided at Evangelical.

This annual reports include the names of our many friends who believe in the ministry of Evangelical: they pray regularly for the seminary, our students, and our faculty, and give generously of their financial resources. With the support of these many dear friends, we are able to keep the momentum going and to continue to prepare Christ-centered leaders for service down the street and around the world.

With joy,

Ann E. Steel  
Executive Director of Institutional Advancement

# Our New Doctor of Theology Program Was Met with Enthusiasm

Anticipated ThD students this fall:

ThD students that enrolled this fall:

And because of demand, we added a Spring cohort:

# A Little Mustard Seed Grows

Nearly seven decades ago, the Evangelical Congregational Church planted a mustard seed when it launched the Evangelical School of Theology. They likely prayed then that Jesus' parable would ring true, and that one day "many birds" would rest in its branches.

God has positioned Evangelical to be a place where people who believe in a high view of scripture, the divinity of Christ, and the transformation available through his death and resurrection to encounter others like themselves-- from across the broad horizon of Evangelicalism, and beyond. Thank you to those who envisioned this great work, and sacrificed to make it possible. Enjoy these facts about the "birds" that nest here, and the partnerships and funders that are helping make it possible.

For the cause of Christ in the world,

Jim Ehrman  
Vice President and Dean

# Our Student Body Grew 20%

Ranging from 22 to 78-years-old, we now have students from...

19

U.S. States

27

Denominations

3

Nations

Our 3 most represented denominations are...

Non-denominational

United Methodist  
Church

Evangelical  
Congregational  
Church

# New Partnerships This Year

## **Lancaster Bible College**

Academic institutions duplicate business office functions across institutions, so why not find ways to share them? We've done so with LBC.

## **Tabor College**

Undergrad students who have done select Master degrees at Tabor can now transfer credits directly into our Master of Divinity program.

## **Sioux Falls Seminary**

We are developing a competency-based learning degree alongside Sioux Falls, one that will allow life experiences and unique training to be counted toward degrees at Evangelical.

## **Open Access Digital Theological Library**

Libraries require significant time and finances to operate, and for good reason. Digitalization is allowing for shared learning resources among institutions, and Evangelical is taking part in this new world of learning!

# Here's Who Made it Possible

The background of the slide features a serene sunset scene. The sky is filled with soft, wispy clouds in shades of pink, orange, and light blue. The sun is positioned just behind the horizon line, creating a bright glow and casting a shimmering reflection on the calm water below. In the foreground, a dark silhouette of a tree stands on a grassy bank, its branches reaching towards the sky. The overall atmosphere is peaceful and contemplative.

The background of the slide features a serene sunset scene. The sky is filled with soft, wispy clouds in shades of pink, orange, and light blue. Below the horizon, a calm body of water reflects the colors of the sky. In the foreground, a dark silhouette of a tree stands on a grassy bank, with the sun setting directly behind its trunk, creating a bright glow.

The background of the slide features a serene sunset scene. The sky is filled with soft, wispy clouds in shades of pink, orange, and light blue. Below the horizon, a calm body of water reflects the colors of the sky. In the foreground, a single, dark green tree stands on a small patch of grass, its silhouette partially obscuring the sun as it sets behind the water.
