the GOOD NEWS

WHOLE GOSPEL | WHOLE STUDENTS | WHOLE WORLD

Academic year 2018 – 2019 was a very exciting time at Evangelical Seminary. We saw the hand of God moving in many ways and we continue to see Him moving in this current fiscal/academic year. As you read through this Annual Report, you will learn about much of this good news. Let me add some points that are not shared elsewhere in this report:

- Right now, as most other seminaries are facing lower enrollments, Evangelical has **more graduate students than ever before in its history**.
- Because of your support, Evangelical has the **least expensive and one of the most innovative Doctor of Theology degrees** in the country.
- Evangelical Seminary has the **second largest military chaplain training** program in the United States.
- Not only do Evangelical alums serve all over the United States, but they are also **servicing in several other countries** including Jamaica, Spain, France, Japan, South Korea, Kenya, Nigeria, and Tanzania.

With the prayer and financial support of you and many other friends of Evangelical, we are able to remain faithful to the ministry to which God has called us. In this setting where biblical and theological orthodoxy are primary, we prepare pastors, therapists, missionaries, teachers, non-profit leaders, and so many more to serve Christ and the Church with passion and excitement.

Thank you for partnering with Evangelical Seminary!

OUR MISSION

In partnership with the church, Evangelical Seminary develops servant leaders for transformational ministry in a broken and complex world by nurturing rigorous minds, passionate hearts, and Christ-centered actions.
