

CPE Residency Program

At Penn Medicine Lancaster General Hospital our Chaplaincy Care & Education department's **mission** is to provide a professional standard of chaplaincy care and promote an awareness of the role of spirituality in healthcare. Our **vision** is to create caring, trusting relationships that honor dignity, integrity, diversity, and value of the human person; to foster an environment of healing in body, mind, and spirit; and to be a leader in the education of healthcare providers and community faith leaders in addressing spiritual needs.

We are seeking outstanding CPE Residents who will:

- Develop teamwork and mentoring skills by serving with staff chaplains and CPE interns in an **award-winning, expanding community** hospital.
- Complete 3 CPE units, increase self-understanding, hone pastoral care skills & **prepare for a career** in institutional or congregational ministry.
- Enjoy Lancaster, located in the heart of *Pennsylvania Dutch Country*, a **diverse** ethnic and religious community with **many opportunities** for cultural, social and outdoor activities. Named one of the "10 Coolest U.S. Cities to Visit in 2018" by Forbes Magazine.
