RE: **2022 SUMMER EMPLOYMENT OPPORTUNITIES SERVING AS A  
CAMPGROUND CHAPLAIN IN PENNSYLVANIA STATE PARKS**

As the Pennsylvania Council of Churches prepares for its 62<sup>nd</sup> season of ecumenical Christian witness among campers in Pennsylvania's parks, we come again to ask for your assistance.

Will you please post/share this letter and the enclosed materials about summer campground ministry and encourage men and women you feel are best qualified to consider this ministry.

We provide a stipend of \$4,950 for full-time and \$2,595 for half-time summer positions, plus travel and other expenses. We also offer the opportunity to exercise and develop skills in worship, preaching, pastoral care, time management and theological reflections.

Candidates need to be available from May 29 - Sept 4, 2022, and have an automobile, plus a valid driver's license.

Positions exist in many areas of the state. Early applicants have the best choice of where they will serve. We are specifically looking for new chaplains at Codorus, Locust Lake, Ohioyle, Little Buffalo and Fowlers Hollow, and Poe Valley and Poe Paddy.

Feel free to reproduce and distribute this material.

Should you need someone to come and meet with prospective students or if you have questions, please immediately contact me, (email) [campgroundministry@pachurches.org](mailto:campgroundministry@pachurches.org) (cell phone) 717.521.4321. An [application form](#), information about the PA Council, and our Campground Ministry is available on our website <https://www.pachurches.org/ministries/campground-ministry/>.

Thank you for your assistance.

Blessings,  
Jim Gould  
Campground Ministry Coordinator
